CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

BANK OF BELLE GLADE IS OPEN

500,000 Yards Rock To Be Dredged Out Of Lake For Roads

Tuesday, November 26 in Tallahassee the State Road Department will receive bids for removal of a half-million yards of rock from Lake Okechobee to build roads in the Glades area under the secondary road program, according to County Commissioner Paul Rardin who said he would be at the bid opening.

Plans are in the works for the huge road expansion program and the 500,000 yards of material to be dredged from the lake will be stock-piled on the airport south of the Pahokee city limits.

Several secondary state roads are to be constructed using the material from the lake for base material. Among the roads to be built are the following: Cardwell east for a distance of eight miles to connect with the north south Ramie Road recently built by the county; Hospital road from a spot north of the Park on SR715 across the muck to connect with Cardwell East;

Curlee Road from SR15 across to the Glades Sugar House for a distance of 1 1/2 miles; Duda Road rebuilding, Larrimere Road in Pahokee, reconstruct into a municipal section of highway; Rardin Avenue in Pahokee; a new \$50,000 bridge across the Hillsborough canal in Belle Glade.

Ramie Road referred to above is a new county road running 7 3/4 miles south from Connors Highway (six miles east of Canal Point) to Airport Road in Belle Glade. It is a rock road and will be black topped in the not too distant future, Rardin said.

New Banking Hours Are Available

An innovation in Glades banking hours is being set up by the new Bank of Belle Glade in that regular banking hours of 9:30 a. m. until 2 p. m. will be in force on Monday, Tuesday, Wednesday, Thursday and longer hours—until 5:30 p. m. on Friday—will be the order of the day for patrons of the bank. It is thought that the fifty-three closing on Friday will give growers and packing houses a few extra hours in which to secure their week-end payrolls as none of the banks in this area, open on Saturday, The Drive-In window will be open Monday through Thursday 9:30 a. m. until 3:00 p. m. and on Friday until 5:30 p. m.

Three New Members For Pahokee Rotary

The Rotary Club of Pahokee received three new members at the meeting on November 7th. They were: M. P. Stanley, Dean Guerry and Elmer Jones.

New Industries May Come To Florida

TAMPA—A recent tour of Florida by some 18 northern industrialists may result in six new Florida industries within the next 30 days, Wendell Jarrard, chairman-director of the Florida Development Commission has announced.

While most of those making the tour showed keen interest in the Sunshine State, six of the industrialists already are entering negotiations for new plant sites. The tour was part of a development commission program to show off industrial locations to financiers and manufacturers. Two more tours are planned for this year.

Credit Service Is Geared To Needs By PCA Group

"The capital requirements in agriculture have more than doubled during the last decade and continue to increase," according to George H. Wedgworth of Belle Glade, Vice President of the Farmers Production Credit Association who has just returned from attending a PCA Directors Institute in Jacksonville, Florida.

"Effective ways for PCAs to keep credit service geared to the changing needs of farmers were emphasized during the Institute; and Directors were presented the modern methods of management adapted to the responsibilities and functions of PCA Directors," Mr. Wedgworth said.

He said program topics included (1) Principles of General Management, (2) Conducting Effective Board Meetings, (3) Building and Maintaining a Strong Membership Organization, (4) Principles of Short- and Long-Range Planning and (5) Management Controls.

"The farmer owned and operated Farmers Production Credit Association has 448 farmer-members, 45 of which were new members during the past year, and extended \$13,185,000.00 in capital purpose and operating credit to farmers and growers of the area last year," according to Mr. Wedgworth.

The Farmers Association, of (continued on page 4)

Union Service For 2 Congregations

The Canal Point Methodist and Baptist Churches will observe the annual Union Thanksgiving service on Thursday morning, November 28 in the Canal Point Baptist Church.

Rev. Robert A. Shelley of the Methodist Church will deliver an inspirational message while the Baptist Church Choir will sing appropriate Thanksgiving music. The two churches invite the entire community to participate in the worship experience.

BULLETIN

First day deposits at the bank ran well in excess of \$1,225,000., according to Board Chairman C. A. "Mutt" Thomas.

Wednesday night it was "Open House" at the recently chartered Bank of Belle Glade and yesterday (Thursday) it was business as usual when the new bank opened its doors sharply at 9:30 a. m. for its first day of business in the ever-expanding vegetable and sugar cane area of western Palm Beach county.

Officers and directors were present Wednesday night to extend a glad hand of welcome to prospective depositors and show them through the handsome new banking facility while "Open House" was in order. Many beautiful bouquets of flowers were distributed throughout the lobby and offices — sent for the "Open House" and bank opening by well wishers and those who took part in construction of the building.

The new Bank of Belle Glade is a home-owned and home-operated bank with the following members on the board of directors: C. A. (Mutt) Thomas, Lake Harbor grower; Robert D. Apelgren, Pahokee grower; Joe Tom Boynton, President of Seminole Life Insurance Company; Robert E. Mathews, Belle Glade attorney; George L. Royal, Jr., Glades merchant;

Mr. McDaniel, the president; James A. Ball, long time produce grower, shipper and now in real estate; John Henry Logan who is a vice president of the Exchange National Bank in Tampa; Billy Rogers, President of South Bay Growers; Claude Shirley, head of Shirley Brothers in Pahokee; and Shirley Glade; George Wedgworth of Wedgworth Farms and president of Sugar Cane Growers Cooperative of Florida, operators of Glades Sugar House.

Co-Op Mill Starts Grinding Today On 1963-64 Crop

The huge Glades Sugar House of the Florida Sugar Cane Growers Cooperative Association started this morning to grind the 1963-64 sugar cane crop. The mill is scheduled to grind 6,000 tons every 24 hours following expansion of the mill during the summer.

Field workers started yesterday in laying low the lush growth of sugar cane in the fields to be served by the huge mill. Sugar experts are of the opinion that this year's crop and volume of cane acreage will be way ahead of last year.

The cane is in good shape, and recent cool weather has improved the sucrose content.

This basically agrees with the advance estimate of Associate County Agricultural Agent John Causey, who said ten days ago that the outlook for this season's sugar production was "good".

U. S. Sugar Corporation got their operation under way at Clewiston and Bryant by the be-

Ryder System Is Open In Clewiston

Ryder System, Inc., Miami-headquartered trucking and truck leasing firm, has inaugurated a truck leasing service at Clewiston to serve sugar refiners in that area.

The new facility is one of 11 included in a multi-million-dollar building program begun earlier this year. Ryder Truck Rental, a subsidiary of the Ryder System, operates from 179 locations in 137 cities.

Safety Education Is The Only Cure For Car Accidents

A Florida Highway Patrolman told the County Commission this week that prevention of traffic accidents could best be accomplished by a safety education program.

He was Sgt. T. C. Hodges, who appeared before the commission Tuesday to report on a three month study of accidents within the county. Earlier, Commissioner Edward Bandlow had suggested that the commission be furnished with accident reports by the Highway Patrol and Sheriff's patrolmen in an effort to determine what steps the commission could take to eliminate hazards on county roads.

According to Hodges, little can be done to engineer a better accident record for the county. He said of all the accidents in the last three months, there was not a single one that could be blamed on anything but human error. None, he said, were caused by engineering failures or the lack of intersection markings or driving signs.

He did say, however, that in some instances, addition of some safety sign would improve driving conditions.

Two fatalities at the intersection of Forest Hill Blvd. and Kirk Road, was the prime reason for Bandlow's request for the accident reports.

County Engineer George Frost (continued on page 4)

Grand Master Of Masons Visits Delray Beach Tonight

John T. Rose of Punta Gorda, the Grand Master of Masons in Florida, will make his official visit to the 26th Masonic District in the Delray Beach Masonic Temple on Friday, Nov. 15, at 8 p. m.

Rose, whose official title is The Most Worshipful Grand Master of Masons in Florida, is the leader of more than 80,000 Masons in the over 300 Masonic Lodges in the state, with jurisdiction over an additional approximately 75,000 sojourning Masons.

ginning of November. Other plants have followed suit.

Palm Beach High Next On Schedule For Blue Devils

Pahokee high school foot ball gridders will travel to West Palm Beach tonight where they will take on the squad representing Palm Beach Hi. The locals are expecting a win after Belle Glade walloped the county seat eleven soundly last weekend.

Pahokee and Dan McCarty of Fort Pierce may have their backs to the wall in the Suncoast Conference championship race but are not yet eliminated from the title picture.

Should the ball bounce a few times in the right direction for either Pahokee or the Eagles, and the wrong way for the present leaders, Vero Beach and Belle Glade, or third place Seacrest — the outcome might not be decided until the final night of play.

Five of the teams have big ball games coming up, some of them important clashes this week.

Belle Glade, and Vero Beach, currently deadlocked for first place with 6-0-1 records, meet other contenders, the Rams moving into Fort Pierce for a contest with McCarty Friday night, while Vero Beach moves into Delray Beach for a meeting with Seacrest. Seacrest trails the two leaders with a 5-1-0 record.

Both Pahokee and McCarty have bowed twice in league play, putting their records at 4-2. Both have three games remaining, Pahokee looking to get back in the win column at Palm Beach this Friday. The Blue Devils dropped a 12-6 contest to Seacrest last Friday night.

Tornado Strikes Pahokee Sunday

A small tornado struck near the City of Pahokee Sunday afternoon and played havoc with TV towers, some house roofs and the foot ball bleachers at the East Lake School foot ball field. The twister hopped, skipped and jumped across the colored housing project, on McClure Road twisting and tearing down a dozen or more TV antennas.

From that spot it went across the foot ball field at the colored school and completely laid low the bleachers on one side of the field. On the other side seats were untouched.

The twister then came into the Pahokee area again near the Army Store and according to owner Herman Magrill two of the large front windows were smashed and an undetermined amount of merchandise was whisked away with the wind. The devastation lightened a little as it swept northward over the area where Terry Sellers lives and blew itself out.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

County Commissioners this week continued consideration of forming a beach erosion district which has been proposed by a group of Palm Beach property owners whose ocean frontage is being ravaged by stormy seas.

The commission learned Tuesday from County Attorney Harry Johnston that a 1961 legislative act might contain enough authority to create the proposed erosion district and could possibly lead to an eventual bond issue to finance any construction work necessary to halt erosion.

Meantime as a temporary measure to help save the county shoreline—not only off Palm Beach but in all sections—Commissioner George Warren proposed the use of surplus navy vessels as temporary groynes to help build up the beach. He said he had wired Congressman Paul Rogers to check the possibility of such measures with the U. S. Corps of Engineers and other federal officials. Cong. Rogers said Commissioner Warren's idea had been given favorable study and further developments would be reported to the board.

Johnston said the state Shore and Beach Preservation act provided that 10 property owners in a selected area, could petition the commission to create an erosion

district. Creation of the district would open the way for planning and engineering studies and preparation of cost estimates for any necessary construction. A referendum election for freeholders within the district would eventually be needed in order to flat a bond issue to pay construction costs.

Johnston said he is now waiting an opinion from the commission's New York bond attorney before taking further steps on the proposal.

He also advised, the commission that any funds needed for immediate use in carrying out setting up the district and for erosion studies, should be advanced by the property owners presenting the petition.

Suit Threatened Over Tractor Buy

A Ft. Lauderdale equipment firm has threatened the County Commission with a court suit over awarding a contract for purchase of a new tractor for the county road and bridge department.

The firm was named as the Richardson Tractor Co., which had submitted a low bid on the equipment. County Engineer George Frost said the low bidder's product did not meet specifications asked for in the bid invitation, and that subsequently he had awarded a contract to the second low bidder, Florida-Georgia Tractor Company.

The Ft. Lauderdale firm said it would seek to have its bid honored by the commission.

The entire matter was turned over to County Attorney Harry Johnston who said the board is not obligated to take a low bid if it did not meet specifications required.

In connections with bids, the board this week received a lone bid for an ice making machine for the parks department and a single bid of \$20,000 for providing 40,000 cubic yards of fill for North Military Trail. Bidder on the fill was the Garden Construction Company.

The County Commission this week is seeking a plot of county owned land to be used as a site for a migrant nursery in the Delray Beach area.

Commissioner George Warren said if a suitable site can be found a women's organization is interested in building a nursery to care for youngsters of migrant laborers employed in the area.

Quarterly Meeting Scheduled Sunday

The First Methodist Church of Pahokee will hold their first quarterly conference of the year at 7:30 p. m. November 17th with Rev. Laurie C. Ray, district superintendent in charge.

Four Circles Met Tuesday, Nov. 12

The W.M.U. circles of the First Baptist Church of Pahokee had their regular monthly meeting Tuesday, November 12th. The program was "The Life of Bill Wallace of China" The circles met as follows:

The Betty Mills circle at the home of Mrs. David Unwin. There were 10 members attending. Mrs. Doris Wetherington was in charge of the program.

The Faye Taylor Circle at the home of Mrs. J. D. Douglas with Mrs. Gene Sullivan cohostess. Prayer and Bible reading by Mrs. Annette McCurdy. Mrs. Ralph Crews was in charge of the program. Guests were Mrs. Helen Guerry, Mrs. Mary Mills, Mrs. Sylvia Smith.

The Grace Jernigan circle at the home of Mrs. Mary Hammond. Mrs. Tommie Lee Duboise presented the program. Mrs. Frank Thompson was in charge of the devotional. Mrs. Dorothy Edmondson was welcomed as a new member.

The Lottie Moon circle at the home of Mrs. F. E. Gillis. Mrs.

Addie Thompson was in charge of the program. Mrs. Lois Mullis read the prayer calander.

THANKSGIVING SERVICE

The community Thanksgiving service will be held November 28th at 10 a. m. at the First Baptist church in Pahokee. Rev. John Briley, pastor of the First Methodist church, will bring the message.

LYTAL IS BETTER

County Commissioner Lake Lytal stricken ten days ago with a heart attack, was reported in an improved condition this week. Lytal, 20 year veteran of the Board, is recovering at Good Samaritan Hospital.

Mrs. M. D. Geiger, who is a patient in St. Marys Hospital, plans to return home this weekend.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

U.S. SAVINGS BONDS

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this publication for their patriotic support.

PERSONAL NEWS NOTES

Mrs. Donald Kepp and Mrs. Edna Pickett visited Jasper Reed in Miami. Mr. Reed is a patient in one of the hospitals there.

Mrs. Bonelli Adair is convalescing at the home of her sister and brother-in-law, Mr. and Mrs. Charles Brown. Mrs. Adair was a patient in St. Marys hospital recently.

Mrs. Alma Lall visited her brother, Marvin Cross, who is a patient in Good Samaritan Hospital in West Palm Beach.

Mrs. Earl Maxson and Mrs. Angus Sims were the overnight guests of Mr. and Mrs. Ponce McDonald in St. Petersburg recently.

Miss Nancy Harrington was the guest of her sister, Miss Janette Harrington in Tallahassee where Janette is a student at F. S. U.

Mrs. J. V. Thomas, Jr., and daughters Kelly and Terry were the recent guests of her parents, Mr. and Mrs. Joe Kelly in Ft. Pierce.

Mrs. Lillie Duke has returned to her home after undergoing surgery on her hand at St. Marys hospital in West Palm Beach.

Mr. and Mrs. Russel Maxson had as their guests recently, Mr. and Mrs. Joe Beahan and family of Eau Gallie.

Mrs. W. G. Hull is a patient at St. Marys hospital in West Palm Beach.

Mrs. Wiley Tillis and Mrs. C. H. Tillis were the guests Sunday of Mr. and Mrs. Lawrence Jaudon in Wauchoha.

Captain Clarence Langford is able to return to his home after having surgery at the Base hospital of the U. S. Army at Pensacola.

Mrs. J. D. Douglas and children visited her parents in Branford over this past weekend.

Mr. and Mrs. Claude Shirley and Mr. and Mrs. Robert Appelgren have returned from San Francisco where they attended a Federal Savings and Loan Convention.

Mr. and Mrs. Horace Unwin and daughter, Julie, visited his sister, Mrs. Andy Nychyk in Ft. Myers Sunday. Mrs. Nychyk is recovering from recent surgery.

Mr. and Mrs. Carney Wilder and Children of Delray were recent guests of his parents, Mr. and Mrs. C. L. Wilder.

Pvt. Skeets Boe, Camp Lejeune, N. C., is visiting his parents Mr. and Mrs. Olaf Boe and sister Pam. Pvt. Boe is on three weeks leave.

Mr. and Mrs. Joe Brown, H. W. Stone and Miss Gwen Branch of Luberton, N. C., flew to West End in the Bahama Islands for the weekend.

Dr. and Mrs. Edwin Todd are in Peru on business. They plan to be gone several weeks.

Mr. and Mrs. Joe Thompson had as guests this past weekend Miss Beverly Finney of Stetson University, also Mr. and Mrs. J. F. Furlong, Mr. and Mrs. Roscoe Finney of Miami, Mr. and Mrs. Jay Martin and son, Kenny Dole Thompson of Boynton Beach.

Mrs. M. H. Baxter spent the weekend in Miami visiting her niece Mrs. Kenny Wills and family.

Mr. and Mrs. Joe Brown returned Friday from a visit to Ocala and Eustis where they attended a fruit convention.

The Pahokee High School Band under the direction of Bandmaster Robert Lampi was awarded a Superior rating in the District Marching contest held Saturday at the Forest Hill Stadium in Forest Hill.

Miss Glenda Carr of Pompano was the guest of her Uncle and Aunt, Mr. and Mrs. Julian Branch over the past weekend.

Mr. and Mrs. Dixon Crews and their daughter were at their guest, Miss Marty Allen of Okeechobee.

Mr. and Mrs. Chester Mullis and Mr. and Mrs. Frank Cato celebrated their fifth wedding anniversary with a dinner party in West Palm Beach Saturday evening.

Miss Yvonne Thompson spent this past weekend with her parents, Mr. and Mrs. Joe Thompson. Yvonne is a student at Stetson University.

Rev. Guthrie Colvard pastor of the First Baptist Church of Pahokee, left Monday to attend the Florida State Baptist Convention in Jacksonville. He returned Thursday night.

Mrs. Bill Tillman of Sebring visited her aunt Mrs. Mae Butler and her niece Mrs. Lee Wroten Sunday.

Mr. and Mrs. Leland Keene and as their guests their daughter Miss Patsy Keen, Miss Keen is a student at Florida State University in Tallahassee.

John Hundley a student at the University of Florida visited his parents Mr. and Mrs. Lloyd Hundley over the past weekend.

Mr. and Mrs. Jack Boland of West Palm Beach were the recent guests of his parents, Mr. and Mrs. B. R. Boland.

Mr. and Mrs. Ernest Tillman, (Paye Mackey) announce the arrival of a daughter on Nov. 12 at Everglades Memorial hospital. The young lady has been named Camellia Paye.

Mr. and Mrs. Curtis Samuel Rogers, (Betty Brown Eden) Palm City, a son Samuel Rogers, Jr. Born Nov. 4th.

Mr. and Mrs. Melvyn R. von Soosten (Janice Sergeant) Clewiston, a son Melvyn Keith, Born Nov. 5th.

Mr. and Mrs. John Mersel Brannon (Patricia Annette Ritter), Belle Glade, a daughter Kimberly Joan. Born Nov. 7th.

Mr. and Mrs. Norman Owen, Pomery (Shelly, Dene Arnold) Indiantown, a son Dell Owen. Born Nov. 7th.

New Name Given Baptist Class

"Doe volente" (Latin, meaning God willing) is the new name adapted by the former Tri-L class of the Pahokee First Baptist Church, at their regular monthly meeting held at Fellowship Hall. An opening devotional was led by Mrs. R. H. Angel. The business meeting was presided over by Mrs. P. F. Younger, president.

The program for the evening was a Thanksgiving Dialog prepared by Mrs. M. F. Stanley and enacted, rehearsed by the attending members. The aim or purpose of this skit was to instill in the minds of those present the true spirit of the Thanksgiving season. In this modern time when so much emphasis is placed on the commercial side of Christmas, it seems that somehow, Thanksgiving is absorbed and forgotten. We in this country, busy as we seem to be, need to take time out to be thankful—to take the time to give to our children their rightful heritage—the Thanksgiving story and what it means to them.

When we look around the Globe and see the poverty, oppression and tyranny that other people of the world live under we shouldn't thank a special day in which to be thankful. Every day should be a day for giving thanks unto the Lord.

—Mrs. P. F. Younger, Reporter.

Proceeds of the campaign will finance the Association's year-round effort to combat tuberculosis and other respiratory diseases, which range from the common cold to the most serious lung disorder—emphysema.

Some 280 volunteers have worked over 4,000 hours preparing the list and letters for mailing. Mr. Boutwell said, "Now it will be up to the people to give generously so this lifesaving work may continue," he concluded.

Recruiter Looking For Army Material

Fresh from a guest appearance on Miami Beach where he was interviewed on the Larry King radio show, U. S. Army Recruiter Sergeant First Class Ronald E. Rosser visited Canal Point today, with some words of advice for young men and women of the area.

In an exclusive interview with The Everglades News, Sergeant Rosser said, "Those of you who intend to serve your country as members of the Army are urged to complete your education . . . at least high school . . . before joining."

"There are many opportunities in today's Modern Army for quality young men and women. With a high school diploma, each qualified volunteer may choose a service school in line with his or her choice of civilian occupation, and receive a written guarantee entitling attendance at the school before the enlistment is accomplished."

"The days of the foot soldier are by no means gone, but in today's Army there are more and more opportunities for learning and using higher skills, including electronics, languages, and many more."

"Guarantees are available to those without a high school education, too, but these are limited to choices of career fields or overseas areas of assignment. With a degree from a recognized college or university, qualified applicants may become officers in the Army, again with a chance to study the field they desire."

The occasion for Sergeant Rosser's radio appearance was Veterans' Day celebration in the metropolis. He was selected from all of the military personnel on assignment in Florida, as the most outstanding. During the Korean conflict, Sergeant Rosser distinguished himself with repeated singlehand assaults against a superior enemy force, killing many and wounding many more. He personally evacuated many of our soldiers who were more seriously wounded than himself, by carrying and pulling them through "no man's land" to the safety of our lines.

For his action, he was awarded the Medal of Honor, the highest decoration which can be bestowed upon any soldier for heroism.

Young men and women of the Glades area who are interested in discussing the part the Army may play in their futures may contact Sergeant Rosser on the second Wednesday of each month at the Selective Service Board in Belle Glade, or the post office in Canal Point. He may be contacted at other times by writing the U. S. Army Recruiting Station, Room 214, Main Post Office, West Palm Beach, with the postage-free cards available at the post offices in Canal Point or Pahokee.

Appointments with the personal recruiter may also be made by calling Temple 2-8958 in West Palm Beach.

Seaquarium Has First Monorail

MIAMI—A gull's-eye view of the Miami Seaquarium, Biscayne Bay, the Atlantic Ocean and Miami's skyline is available by the Seaquarium's monorail which went into operation recently.

The monorail, first in the country east of the Rockies, affords its passengers a 2,200-foot ride around the 55 acres of the Seaquarium. The cars are suspended from a rail which curves through the air 32 feet above ground.

Designer of the monorail system is American Electric, Inc. of Paramount, California, and it was built for Wometco Enterprises, Inc., the parent company owning the Seaquarium.

Over 83,000 Christmas Seal letters are being mailed to Palm Beach county residents, firms and organizations this week, according to George H. Boutwell, County Christmas Seal Chairman for the Palm Beach County Tuberculosis and Health Association.

Medical Advisory Committee Named By Industrial Board

TALLAHASSEE — Florida Industrial Commission Chairman Worley Brown has announced the appointment of a statewide medical advisory committee to be used in a consulting capacity in the commission's workmen's compensation program.

Dr. Thomas J. Bixler, medical advisor for the state workmen's compensation program, is chairman of the committee. Members appointed were recommended by the Florida Medical Association.

Regional meetings are planned in the near future to explain to the public the medical aspects of the workmen's compensation program, including the use of a new medical fee schedule.

Riviera Beach Man Named RDB Head

Robert C. Brown, Riviera Beach builder, was elected president of the Resources Development Board of Palm Beach County, succeeding Ed. F. Stumpf of West Palm Beach, at a meeting of the board of directors in the Pennsylvania Hotel Thursday evening.

Presently a director of the National Home Builders Association, Brown has served as president of the County Home Builders, East Coast Chapter of Associated General Contractors and the Exchange Club of North Palm Beach County. He had been a vice president of RDB for several years and a director for eight years.

Amos Jackson of Palm Beach was elected a vice president, and re-elected were Vice President William F. Mitchell of Boca Raton, Claude L. Shirley of Pahokee, Albin R. Olson of North Palm Beach and Robert R. Horner of Palm Beach. W. Julian Field of Palm Beach was re-named secretary and John P. Stine of Lake Worth was re-elected treasurer. Directors-at-large include George O. Wright and Robert E. Rickett of West Palm Beach, and Harvey Oyer of Boynton Beach. Art Kell was appointed manager for another year.

Following adoption of an amendment to the by-laws, the directors William F. Mitchell of Boca Raton, to a newly created honorary post as a director emeritus. Dane had served as a director of the board for six years, and in addition to work on a number of committees, has been one of the leaders in the long campaign to establish Florida Atlantic University. Mr. Stumpf reported.

INJURED IN WRECK

Owen Todd is suffering from cuts and bruises on the face and head he received when his car smashed into a tree on SR15. Nearly 100 stitches were necessary to close the wounds on his face and head. He is recovering nicely.

which Mr. Wedgworth is Vice President, makes short and intermediate-term loans to farmers and growers in Broward, Collier, Dade, Palm Beach, Indian River, Martin, St. Lucie, Monroe and Okeechobee Counties with principal office in Miami, Florida and field offices in Belle Glade and Vero Beach.

Proper Nutrition Very Important

One-half of the world's three billion people go to bed hungry each night!

Dr. C. B. Ammerman, assistant animal nutritionist with the University of Florida's Agricultural Experiment Stations, says "This is due to an underdeveloped agriculture and a widespread lack of knowledge and understanding of nutrition in developing countries."

In many cases, he says, foods may be available but they are misused. Some countries have an abundance of protective foods such as meat, milk, eggs, vegetables and fruit.

What is the solution to this nutritional problem? Dr. Ammerman says supplemental foods can be provided, but in many cases this is not the solution as the attitude of the people of a country toward certain foods may present a stumbling block.

As an example, the scientist cited the case of eggs. In some countries their use might be entirely out of the question due to the belief women and girls should not eat them for fear of suffering sterility.

In one area of a country where over 50 percent of the babies fail to reach adulthood, a 10 percent fish-protein concentrate has been added to the noodles fed to infants with considerable success.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{2}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH

U. S. SAVINGS BONDS

Christian Science Group Of Canal Point

"In the way of righteousness is life; and in the pathway thereof there is no death." This passage from Proverbs (12:28) will be read in all Christian Science churches next Sunday. The subject of the Bible Lesson is "Mortals and Immortals."

These lines from the Christian Science textbook will also be included: "It is only by acknowledging the Supremacy of Spirit, which annuls the claims of matter, that mortals can lay off mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 491).

Club Members At St. Lucie Club

Last Friday, Mrs. M. C. Carter, Mrs. J. E. Williams, Mrs. Duke Tucker, Mrs. Glenn Powell of the Canal Point Garden Club and Mrs. Jess Elliott of the Pahokee Garden Club attended their District 10 meeting which was held at the Fort St. Lucie Country Club in Stuart.

Womans Club Has 3 New Members

The Pahokee Womans Club met November 13. Mrs. Glenn Powell, First Vice President, presided in the absence of the president, Mrs. C. M. Todd. Three guests were welcomed. They were Mrs. Lewis, guest of Mrs. Luther York; Mrs. Mattie Chastain, guest of Mrs. Mae Pope and Miss Dianne Hollon, student member.

Milton McKay was guest speaker and his topic was "Wills and Testaments."

Following the program there was a short business meeting at which time three new members were accepted. They were: Mrs. Ruby Tucker, Mrs. Mary Hammond and Mrs. Ethel Johnson. It was announced that the next "Coffee Break" will be held December 4 at the home of Mrs. Alice Spooner at 9:30 a. m.

Circles Planning Regular Meetings

The following W.S.C.S. circles of the First Methodist church will meet on Monday November 18th: Vena Mae Schroder at the home of Mrs. J. T. Boynton; Simonson Lair at the home of Mrs. Bill Brown; Gertrude Shirley at the home of Mrs. Al Lavender; Miriam at the home of Mrs. J. G. Thomas.

MRS. BISHOP VISITS

Mrs. E. E. Bishop visited her brother and sister-in-law, Mr. and Mrs. Lewis Friend, and her sister and brother-in-law, Mr. and Mrs. A. E. Morgan and their daughter, Mrs. Lois White over the weekend. Mrs. Bishop was also the guest of her father, Frank Friend, before returning to her home in West Palm Beach.

Layman's Sunday Methodist Church

Sunday November 10 was LAYMAN'S SUNDAY at Canal Point Methodist Church. Speaker was Robert Fulton, Principal of Seacrest High School, a very colorful Methodist layman. Mr. Fulton played football at the University of Tennessee, under "The General", and at the present time is Lt. Col. in the army reserve.

Mr. Fulton came well qualified to lead in a service of worship for he is a dedicated Christian. His mother was a minister of the Congregational Church, so he was well aware of the duties and responsibilities of both the laity and the ministry.

Bill Johnson, Lay Leader of the Canal Point Methodist Church, led the service and was assisted by W. E. Blackwell who led the church in morning prayer, G. L. Lanham read the morning scripture and A. R. Harrington introduced the morning speaker. There was a large attendance to support Mr. Fulton in this service.

Sorority Meeting Held Clark Home

The Phi Gamma Nu Sorority met November 11th at the home of Mrs. Penny Clark. At the business meeting it was announced that the ways and means committee will make Christmas corsages to be sold for \$1.00 each. Dianne Carter presented the program entitled "From tip to toe she's lovely". After the program Mrs. Mary Thomas conducted a pledge training session.

Mr. and Mrs. Harry Brooks Elarbee were recent visitors in Vero Beach. Mr. Elarbee left Monday for Jacksonville and plans to return this weekend.

Our Doors Are Open

And a sincere welcome awaits you whether you pay a visit to our Pahokee Branch or our Home Office in Belle Glade.

We are happy over the way in which you folks have received the new services of our Pahokee Branch. We feel sure you will be perfectly satisfied with the service we render.

When you have financial problems concerning a new home—be sure to drop by and see us. We know we can help you.
